Some creepy Pakistanis are harassing me so that is why I posted this today.

The Goldsmiths are an extremely powerful and evil banking dynasty that established Bischoffsheim Goldschmidt & Cie Bank and it merged with Banque de Paris et des Pays-Bas French which later became BNP Paribas a French based banking group. BNP Paribas has nearly 2 trillion in assets and has branches in Russia. Pinchas Goldschmidt is the Chief Rabbi of Moscow, Russia and has been knighted under the French Legion of Honour. The Goldschmidt variant is from Germany and Benedict Hayum Salomon Goldschmidt was the banker for the Grand Duke of Tuscany during the Habsburg's reign. The Goldsmiths are still working for the House of Habsburg as well as the House of Windsor and House of Bourbon. The billionaire James Goldsmith was married to the Bolivian-Spanish Dona Maria Isabel Patino and Bourbon and their daughter is Isabel Goldsmith. James Goldsmith married again to the Italian-French-Spanish Countess Beatriz of Rovasenda and Rivera-Digean. The Goldsmith family have frequently married in with the Rothschild and Bischoffsheim banking families. Carole Middleton the mother in law of Prince William is a Goldsmith. The Middletons were co-owners of Coutts private bank based in London which is one of the oldest continual banks in the world. John Middleton is an American billionaire who owns the Philadelphia Phillies. Frank Zac Goldsmith is currently married to a Alice Miranda Rothschild and works as a journalist and member of parliament. He is believed to be worth hundreds of millions however its net worth is likely much higher. Benjamin Goldsmith is a investment banker and the co-owner of WHEB Ventures and Menhaden Capital. Ben Goldsmith was married to Kate Emma Rothschild. Ben, Frank, and Jemima are also from the Stewart family through their mother Lady Annabel Goldsmith born as Vane-Tempest-Stewart and their half brother is Robin Birley. The Goldsmiths cousins are Frederick Aubrey Vane-Tempest-Stewart the 10th Marquess of Londonderry and his brother Reginald Alexander Vane-Tempest-Stewart. The Goldsmiths are married with the Bourbons, Stewarts, Rothschilds, and Middletons. The Stewarts ruled as monarchs in England, Scotland, and Ireland and they also produced 6 Grand Masters for the Grand Lodge of Scotland. Much of the Goldsmiths wealth is hidden in assets, gold, and stocks. Benjamin Goldsmith finances and manages the shill Benjamin Fulford who has been stealing claim to my articles as an attempt to undermine me. Baron Cyril Rudolf Alfred Maximilien von Goldschmidt-Rothschild is a current German member of this wicked family along with his children James von Goldschmidt-Rothschild and Alexis von Goldschmidt-Rothschild and they serve the House of Hohenzollern which established the Goldschmidt-Rothschilds titles of nobility.

The Goldsmith family are overseers in the City of London's Worshipful Company of Goldsmiths. Goldsmiths work with precious metals and forge various items including silver and gold coins for currency. The family originated out of Frankfurt, Germany and were likely goldsmiths for the Holy Roman royalty. I believe they have covertly married in with the Borgia family as well after moving to France where the Borgia family were dukes. The Harache family were powerful goldsmiths and a banking dynasty in London with origins in France. A known member of this family is Philippe Harache of France and he was deputy CEO of Eurocopter. The name Harache means to harass and this hidden and still existing family are the top overseers of the Company of Goldsmiths in London. The Harache family did business with another goldsmithing family called the Hoare family and they own C. Hoare & Company which is currently headed up by Alexander S. Hoare. Alexander Hoare is an Associate of the Chartered Institute of Bankers in London as well. Baron David Hoare is the head of this family and also a banker and member of the board of directors for C. Hoare & Company along with Alexander Hoare, Venetia Hoare, Bella Hoare, Alex R Q Hoare, and Henry Hoare. His son is Simon Hoare. Another Simon Hoare is a British politician today. Charles Antony Richard Hoare is a British computer scientist today and from this family. Judith Cobham-Lowe is the head of the Company of Goldsmiths as Prime Warden and she is advised by the Goldsmith,

Harache, and Hoare families. Michael Prideaux and Richard Fox are top wardens of the Company of Goldsmiths. Goldsmiths is also the name of a luxury jewelry store in the United Kingdom. James Goldsmith had a large amount of shares in Newmont Mining Corporation which is involved in gold mining. Canada which is a realm of the UK's commonwealths and under the authority of the British Crown has many major gold mining companies like Goldcorp, Barrick Gold, Kinross Gold, and Agnico Eagle Mines Limited. Robert Buchan founded Kinross Gold and was educated at Queen's University and Heriot-Watt University which are colleges both established through royal charters issued by the British Crown.

The Goldsmith family are also part owners and investors in the British Crime Firms. Mark Shand who died in 2014 was the husband of the French actress Clio Goldsmith and Mark Shand was also the brother of Camilla the Duchess of Cornwall. Jemima Goldsmith is a journalist and she was married to the Pakistani Imran Khan who is a covert agent of Pakistani Mafias operating in the United Kingdom. There are several Indian and Pakistani gangs in the United Kingdom and London. The Rochdale child sex abuse ring was ran by British-Pakistani men who trafficked underage British white girls. 47 girls were identified as victims of this human trafficking ring. Rotherham child sexual exploitation scandal is another ongoing child sex trafficking ring run by British-Pakistani men and has been going on for decades. Frank Zac Goldsmith demanded an inquiry into child sex abuse in the United Kingdom. The reason he wanted information on this was to provide intelligence for these human trafficking rings. The reason child sex abuse and human trafficking is occurring is because of corrupt politicians like Frank Zac Goldsmith which enable these crimes. I believe Curtis Warren is a criminal agent of the Goldsmith family. Curtis Warren and Brian Charrington ran a large scale drug trafficking operation by traveling to France on Charrington's yacht and then to South America. The Goldsmith family had residences in France and connections to Bolivia through James Goldsmith's ex wife. James Goldsmith was an international businessman with close ties with Spain, Mexico, and South America. David Gold is a Jewish businessman in London involved with the porn industry and he is an agent of the Goldsmiths. David Gold's business associate David Sullivan financed the English mobster David Hunt. Frank Zac Goldsmith and Benjamin Goldsmith are also involved in financing and actively commanding online gang stalking groups. They finance and direct their agents to stalk, harass, slander, and falsely accuse people exposing criminals and corruption. The actor Brian Benben is a murderous pedophile and blasphemer working under Benjamin Goldsmith. Benjamin P. Liashenko also known as RussiVids and Zachary K. Hubbard the gematria mind controller who blames all Jews except the Goldsmiths are agents of the Goldsmith family. The Goldsmiths are extremely evil. The murderous pedophiles Benjamin Goldsmith and Frank Zac Goldsmith are pure evil psychotic devils.

Benjamin Goldsmith with Frank Zac Goldsmith. They are extremely evil with authority in politics and banking. The Goldsmiths finance sex trafficking in the United Kingdom and also finance gang stalking and online trolls. The Goldsmith brothers are both pedophiles and very psychotic and they both need to be hunted down and shot dead. They are ruthless slanderers that make up insane lies. Their mother is Lady Annabel Goldsmith.

The Goldschmidt family is a family of **German Jewish descent**, originally from Frankfurt am Main, known for their success in banking. With origins tracing back to the 14th century, most members were forced to leave Frankfurt after the 1614 Fettmilch uprising, and did not return until the 18th century.[1]

The family was interwoven particularly with the Bischoffsheim family of Mainz,[2]. The families conjointly managed Bischoffsheim, **Goldschmidt & Cie bank**, which was eventually merged into **Banque de Crédit et de Dépôt des Pays-Bas** in 1863, the forerunner to **BNP Paribas**. [3][4]

The **English branch of the family Anglicised their name to Goldsmith**, starting with Frank Goldsmith (1878-1967). Its most famous 20th century member was the billionaire James Goldsmith, whilst its most famous today is Zac Goldsmith, MP for Richmond Park.

### **Why Did British Police Ignore Pakistani Gangs Abusing 1,400 Rotherham Children?**

The latest report, from Professor Alexis Jay, former chief inspector of social work in Scotland, gives the truth for the first time, in 153 disturbing pages. One fact stands out above all the horrors detailed in the document, which is that the girl victims were white, and their abusers Pakistani.

Frank Zac Goldsmith hanging out with young teenage girls.

I have found 20 different photos of Frank Zac Goldsmith with random children. He is a major pedophile.

Pinchas Goldschmidt is the Chief Rabbi of Moscow, Russia and was knighted under the French Legion of Honour. The Goldsmiths lived in France and were co-founders of Paribas a French based international bank which has large operations in Russia.

Benjamin P. Liashenko or RussianVids is a sadistic shill working for the Goldsmiths and working under Benjamin Goldsmith.

Zachary K Hubbard is a sadistic shill working for the Goldsmiths and working under Frank Zac Goldsmith. Zachary Hubbard needs to be thrown alive into an incinerator. He literally burns children alive and he worships satanic witches.

Baron Cyril Rudolf Alfred Maximilien von Goldschmidt-Rothschild is a high authority over both the Rothschilds and Goldsmiths and a noble under the House of Hohenzollern. The two pistols represent the Rothschild and Goldsmith bloodlines.
